Subject: Proposed Request to Abandon and Discontinue Service on the Dry Valley
Subdivision in Caribou County, Idaho Species List SP# 1-4-05-SP-0100

Dear Mr. Saylor:

The U.S. Fish and Wildlife Service (Service) is writing in response to your request for information about the potential impacts to endangered species from the proposed request to abandon and discontinue service on the Dry Valley Subdivision in Caribou County, Idaho. It is our preliminary determination that given the location of the proposed construction, the project is unlikely to adversely impact any species listed under the Endangered Species Act of 1973, as amended. If you determine otherwise or require further assistance, please contact Deb Mignogno of this office at (208) 237-6975. Thank you for your interest in endangered species conservation.

Sincerely,

Deb Mignogno
Supervisor, Eastern Idaho Field Office
